The money stays to benefit the communities where the money is raised to fight prostate cancer through research and public awareness. Prostate cancer is the third leading cause of death from cancer in men in Canada. If caught early the 5-year survival rate is 93%. It can be a different story when detected late.

If you are a man over 40, call your doctor and get a simple PSA blood test.

Fight prostate cancer. Find it early. Treat it early. Live.

To date, the Ride For Dad has raised **$37 million** to support prostate cancer research and awareness!

You don't need to be a Rider to get involved!

Become a Volunteer, Sponsor, pledge a Rider, make a donation, or register as a fundraising Champion!
