The money stays to benefit the communities where the money is raised to fight prostate cancer through research and public awareness. Prostate cancer is one of the leading causes of death from cancer among Canadian men. If detected early, the 5-year survival rate is extremely high. Detected late, it can be a different story.

If you are a man over 40, get the blood test.

Fight prostate cancer. Find it early. Treat it early. Live.

To date, the Ride For Dad has raised over **\$40 million** to support prostate cancer research and awareness!

You don't need to be a Rider to get involved!

Become a Volunteer, Sponsor, pledge a Rider, make a donation, or register as a fundraising Champion!
