The money stays to benefit the communities where the money is raised to fight prostate cancer through research and public awareness. Prostate cancer is the most commonly diagnosed men's cancer in Canada. Most cases of prostate cancer can be successfully treated if detected early!

**Fight prostate cancer.
Find it early. Treat it early. Live.**

To date, the **Ride For Dad has raised more than \$35 million** to support prostate cancer research and awareness!

You don't need to be a Rider to get involved!
