It is estimated that 1 in 8 men Canadian men will develop prostate cancer during their lifetime. 1 in 29 will die from it.

If you are a man over 40, get a simple PSA blood test and begin to monitor your prostate health.

Early detection is critical in the fight against prostate cancer.

To date, the Ride For Dad has raised over \$40 million to support prostate cancer research and awareness!

You don't need to be a Rider to get involved!
