

Ride For Dad is a national Canadian movement dedicated to saving lives through prostate cancer research, education, and awareness. Riders across the country have come together for one purpose: to raise funds that support men and their families in our communities.

Each Ride combines the excitement of a group motorcycle event with a mission that truly matters. **Proceeds raised stay to benefit the communities where it's collected**, helping fund research and public awareness campaigns.

Every pledge makes a difference

Since the year 2000, Ride For Dad has raised more than **\$46 million** for prostate cancer research and awareness. The fight remains as important as ever and we need your help through pledges.

Let's make this our strongest year yet!
